

5(4 + 3) OR 20 + 15

Are we there yet?

We've traveled 5 miles.

We sang for 5 more miles

We got hungry

To get snacks

On the road again

Eating snacks

For 5 miles

Listening to music

For 5 more miles

How far have we traveled?

Five times

OR

Twenty plus

Are we there yet?

And 5 more miles after that

We laughed for 5 more miles

So, we stopped

On the road again

Playing video games

For 5 more miles

How far have we traveled?

Four plus three

OR

Fifteen
